

COMPANY PROFILE

LEADING EUROPEAN FURNISHING FABRIC BRANDS UNDER ONE ROOF

SG Corporation (SGC) was established in 2000 in New Delhi. It was started by Sandeep Gupta, a Double Post-Graduate in MBA and Marketing from India and United Kingdom. He has rich experience of 28 years in Home and Hospitality sector. In 2015, his son Ishaan Gupta joined the company after completing his MBA from Germany. He also went through six months extensive training at Kobe, The Netherlands. SGC Furnishing Fabrics are sourced from Leading Editors based in The Netherlands, Germany, Italy, Austria, Belgium and France to the highest worldwide quality standards. Each Editor brings its own distinguished signature. This unique furnishing range is further enhanced by an extensive range of Artificial and Genuine Leather from Italy and Germany and exclusive Wall-Coverings from Belgium and Italy allowing Architects and Interior Designers to source turnkey contract interior solutions under one roof.

Furnishing fabrics are stocked by these Editors in their own country. Together they are a collection of over 50000 sku's. Each Editor stocks their own fabrics in fully robotic warehouses with daily distribution to over 100 countries. SGC has achieved 97% performance in supplies last year which is at par with the best in the world. Most Editors are in this business for over 35-200 years and the combined turnover of the companies represented by SGC is over Euro 350 million. (INR 2625 Crores).

INTERIOR DESIGNERS & ARCHITECTS

We are closely associated with top Interior Designers & Architects who work for Hotels and High-end Residential. We are part of most turn-key projects responsible for Furnishings, Wall-coverings and Leather.

CORPORATE SOCIAL RESPONSIBILITY

SGC strongly believes that Corporate Social Responsibility is the way to contribute towards the society which enlightens and empowers the less privileged. SGC has a tie-up with Prayas – a Non-Government Organization, running training centers for tailoring, embroidery, knitting for poor and destitute ladies and adult girls. SGC provides free fabric to them to convert them to various products which they design, produce and sell. This income supplements their family income and helps in building their vocational skills and future prospects which ultimately makes a deep-rooted impact in the society. Please write to impact@sgcorporation.in for any contribution.
